Information regarding this report:

Because this report can be pulled by chart or date comment was entered, the information displayed will appear depending on the choices you make.

Pulling by Chart Date will display all charts created in that time range and include every comment made with

Pulling by Date Comment Entered will display all Comments created in that time range and include the original if it is outside the date range.

ChartDate tab: All information displayed on this tab (or sheet) is by the date the chart was made

CommDate tab: All information displayed on this tab (or sheet) is by the date the comment was entered
